Submitted values are:

Name: Tony Patrico

Email Address: [REDACTED]

Comment: Common sense seems to be a lost art these days. Please make this a 100% removal of the nuclear waste or we as humans will be removed by it soon enough. Many have died so we can't let it grow. We come to the rescue for natural disasters like hurricanes and tornados. This should be the same.
Thank you, Tony Patrico, Oakville, MO.
